## ---TRAFFIC ALERT---

---

February 5, 2018

### Troy – FM 935/Main St. to Close Under I-35

**Beginning at 7 PM Friday, February 16, 2018**, FM 935/Main St. under I-35 will close for approximately 7 days. This closure will allow the contractor to remove the existing FM 935/Main St. bridge in preparation for building the new roadway and the new Texas turnarounds under I-35.

Northbound travelers wanting to go west on FM 935/Main St. will detour onto the northbound frontage road about one mile to the new North Troy crossing (Windmill Lane), U-turn onto the southbound frontage road and back to FM 935/Main St.

Southbound travelers wanting to travel east on FM 935/Main St. will detour onto the southbound frontage road about one mile to the new South Troy crossing (Love's Boulevard), U-turn onto the northbound frontage road and back to FM 935/Main St.

Travelers are encouraged to watch for and obey all warning and detour signs as conditions in the construction area change.

Please see maps below for details.

Efforts to improve the I-35 corridor throughout the state would not be possible without the support of local governments, the Texas Legislature and the U.S. Congress. In addition to the ongoing \$1.9 billion dollar expansion of I-35 through TxDOT's Waco District, a number of critical projects are underway in the Dallas/Fort Worth region to improve I-35 connections to I-820 and I-635 thanks to a partnership with the private sector. Meanwhile, TxDOT continues to plan for the long-term future of the I-35 corridor through the MY 35 citizen-driven planning process. For more information about I-35 expansion projects or the MY 35 planning effort, visit [www.my35.org](http://www.my35.org). Follow us on [Twitter.com/I35Travel](https://twitter.com/I35Travel).
